Tuition Bulletin

for the September 2026 examinations

Revised: 13 April 2026

Applying for tutorials

Choosing your tutorials

Please look on our [website](#) for full details on the range of tuition which we offer.

If you are a new student, and need further advice about which tutorials to apply for, please see [Help and Advice](#) for New Students.

When to apply

Places on all tutorials are allocated on a first-come first-served basis and many become fully booked very quickly. Places are not confirmed until the finalisation date for each tutorial. These dates are given in the provisional timetable, which appears later in this document. You can still apply for tutorials after the finalisation date, but you should be aware that some are likely to be full by this stage.

We appreciate that it may be tempting to wait until after results before deciding what to sit but we strongly recommend that you commit to a subject early and start studying as soon as possible. There will only be a finite number of tutorial places available on the later-starting tutorials and we cannot always guarantee everyone a place.

How to apply

If you have never ordered from ActEd before, have a look at our [placing your first order](#) page for helpful tips.

We recommend that you apply for your tutorials using our [online store](#), where you will be able to view provisional venues and see an indication of the number of spaces available on each tutorial. The online store allows you to specify your preferred first, second and third-choice tutorial in each subject. If a place is available on your first-choice when we receive your application, then you'll be given a provisional place on that tutorial. If your first-choice tutorial is full, you'll be given a provisional place on your second-choice and so on.

If you might change your study plans in light of your exam results, we recommend that you book a place on a tutorial that is finalised no more than two weeks before your results are due. This will allow you to cancel your place without charge immediately after results and give you much more flexibility should your plans change.

What to expect after applying for a tutorial

Shortly after you apply for a tutorial we will acknowledge your application(s). If, for each of the tutorials you have applied for, you do not receive an acknowledgement within four days, then please contact [ActEd](#) immediately to check that we have received your application.

Each acknowledgment will either:

- confirm your provisional place (on either your first, second or third choices), or
- state that you have joined a waiting list (because all your preferred tutorials are full).

Subsequently, please let us know if you change your email address so that we can keep you up-to-date with your application. Please read your tutorial emails carefully and let us know of any problems.

What it means to have a provisional place on a tutorial

Having a provisional place does not mean that the tutorial is guaranteed to run - this will depend on a sufficient level of demand at finalisation. It is also possible, although unlikely, that you could lose your provisional place on the tutorial at finalisation if a student who applied before you, does not obtain a place on their first-choice tutorial due to a tutorial cancellation. Therefore, please avoid making any travel arrangements until you have received the final confirmation of your booking.

Waiting list

If all your chosen tutorials are full, your name will be added to a generic, subject waiting list with a record of your original preferences. If a space becomes available on a tutorial matching your preferences, eg if a student cancels or we add a new tutorial, then we will allocate those on the waiting list on a first-come first-served basis. If you are allocated a place, then we will email you with the details. You can decline the place if the dates or location are not suitable.

Please let us know if you wish to be removed from a waiting list or if you wish to update your preferences.

We will endeavour but cannot guarantee to add extra groups at finalisation for students still on a waiting list at that time. You may apply for another tutorial at any time or update your preferences on the waiting list, for example, to let us know that you would accept a place on a live online tutorial as well as one at your preferred location.

Finalisation

We will not be able to confirm a place until finalisation, and we ask for your patience in the days prior to and immediately following the finalisation date. We will email you again 2-3 days after the relevant finalisation date.

If you had previously been given a provisional place then we will most likely provide you with full details of your confirmed tutorial place, including details of the venue.

However, this will not be the case if we have not received sufficient applications. We endeavour to run all advertised tutorials where we have received enough applications in writing by the finalisation date (this is normally, but not guaranteed to be, around 8 applications but depends upon the level of demand for other tutorials).

We will run additional groups whenever possible when tutorial groups are oversubscribed. However, we cannot guarantee to add extra groups at finalisation for students still on a waiting list at that time.

Invoices are issued, and credit card payments taken, between 5 and 15 working days after the relevant finalisation date, once a place has been confirmed.

Requesting tutorials in a different location

We are happy to run tutorials in locations other than those shown on the provisional timetable if there is sufficient demand.

You may book onto one of the advertised tutorials and specify a preferred location. When using the online store, select your first, second and third choice tutorials before clicking on "Add to Basket and request a non-scheduled tutorial" to state your location preference. If you do this, we will automatically switch your application if we are able to run a tutorial in your preferred location.

Alternatively, if you are unable or unwilling to travel to one of the advertised tutorials but would like to attend a tutorial in a location near you, submit a request for a tutorial on the [online store](#) by clicking on "Tutorials" and then "Request a Tutorial (non-scheduled)". You can state your chosen subject, tutorial type and your preferred location. We will then add you to the relevant subject's waiting list, recording your preferences.

Further information and prices

Please visit our [website](#) for more information about the types of tutorial we offer, as well as for [prices](#) and the terms and conditions of booking.

Tutorials for the session leading to the September 2026 exams

If you might change your study plans in light of your exam results, we recommend that you book a place on a tutorial that is finalised no more than two weeks before your results are due. You should also defer purchase of any Online Classroom until after results. This will give you much more flexibility should your plans change.

CM and CS Tutorials - There will be an additional Paper B Preparation Day in each subject to enable learners to practise exam-style Paper B questions with tutor support. Tutors will assume that attendees have used the Paper B Online Resources (PBOR), which form part of the CMP. You will not be taught the essential skills of working in Excel or R on the Preparation Day. Students attending a Paper B Preparation Day must bring their own device to the tutorial capable of running either Excel or RStudio as required. The 5-day or 6-day Bundle includes the Preparation Day as the last day.
